CITY OF HIGH POINT AGENDA ITEM

TITLE: Human Relations Commission Fair Housing Recommendation				
FROM: Jeron Hollis, Managing Director	MEETING DATE: February 8, 2024			
PUBLIC HEARING: n/a	ADVERTISED DATE/BY: n/a			
ATTACHMENTS: A. Proposed Fair Housing Ordinance				

PURPOSE: To consider the Human Relations Commission's (HRC) previous recommendation that the City of High Point adopt a substantially equivalent Fair Housing Ordinance.

BACKGROUND: On Feb. 1, 2021, Council approved the HRC's 2021 work plan by a vote of 9-0, which included tasking the HRC to explore the feasibility of High Point becoming a Fair Housing Assistance Program (FHAP).

At the May 17, 2021, Manager's Briefing, Human Relations staff presented the HRC's initial fair housing report.

In July and August of 2021, the HRC hosted a Housing Security Workshop Series to seek public feedback on the feasibility of High Point becoming a FHAP. Over fifty attendees representing a diverse body of community stakeholders—including housing providers, the Family Justice Center, and community advocates—attended these workshops and provided input.

On August 12, 2021, after the conclusion of the Workshop Series, the HRC voted 7-0 to recommend that the City of High Point become a FHAP.

On May 3, 2022, the Community Development Committee received the HRC's recommendation, as presented by CPE staff, and an overview of a substantially equivalent Fair Housing Ordinance, as presented by the City Attorney's office. The Committee voted 4-0 to send the recommendation to Council for full consideration at the May 16 regular City Council meeting.

On May 16, 2022, Council made three votes on the HRC's recommendation for the City of High Point to become a FHAP:

- Motion approved (6–3) to adopt HRC recommendation that High Point become a FHAP and direct City staff to undertake the required steps for FHAP certification.
- Motion failed (5-4) to adopt a substantially equivalent Fair Housing Ordinance
- Motion approved (5–4) to create a Human Relations Specialist position to offer additional fair housing trainings and to process fair housing complaints.

BUDGET IMPACT: None

CITY OF HIGH POINT AGENDA ITEM

TITLE: Oak Hollow Festival Park Site Plan			
FROM: Lee Tillery, Parks & Recreation Director	MEETING DATE: February 8, 2024		
PUBLIC HEARING: n/a	ADVERTISED DATE/BY: n/a		
	MENTS: Oak Hollow Festival Park Master Plan Presentation Oak Hollow Festival Park Master Plan Project Narrative		

PURPOSE: Site Plan for Oak Hollow Festival Park. Festival Park and the congruent North Overlook Park serve the City in many diverse capacities including major special events, rowing and regattas, along with passive opportunities along the lake front. The purpose of this plan was to develop an outline for future development, enhancements and additions based on our current programming and explore opportunities for new improvements and amenities.

BACKGROUND: The City contracted with Withers-Ravenel early in 2023 to work with our Parks & Recreation Department to establish a Site Plan for Oak Hollow Festival Park. The project was very thorough and included aspects such as site evaluation and history, meetings with staff and stakeholder groups, along with several opportunities for the public to be involved. This included two public meetings, interaction with our Parks & Recreation Commission, and an online survey. The site evaluation explored aspects associated with hydrology, accessibility, parking and evaluating opportunities to connect Festival Park with the North Overlook to enhance the total park areas while improving accessibility. Finally, we explored avenues to activate more of the open space, improve existing structures, build on opportunities for rowing, and plan for two new playgrounds within the entire park. Two draft plans were evaluated and then a final draft master plan was presented to the Parks & Recreation Commission. This final draft was approved by the Commission at the August 2023 meeting.

BUDGET IMPACT: No current budget impacts. Plan will be utilized for Planning and Budgeting purposes moving forward.

RECCOMENDATION/ACTION REQUESTED: The Parks & Recreation Department recommends approval of Site Plan and asks City Council to formally approve and adopt the plan as well.

FINAL MASTER PLAN

Oak Hollow/Festival Park Master Plan

Project Narrative

The Master Plan for Oak Hollow/Festival Park illustrates a vision that reinvents the park for festivals and events as well as everyday use. Improvements are focused on enhancing the park's ability to accommodate festivals and increasing everyday recreation opportunities, making the park more accessible.

The plan reflects community engagement as well as input from city staff and stakeholder groups. Meetings were held with key stakeholders and 2 community meetings were held to solicit input as the plan developed. On-line surveys were also provided to gather community perspective on current issues, recreational needs, aspirations, and priorities. As part of the process, alternative concepts and ideas for park improvements were prepared and made available to identify preferences. During the process, plans for the park were also presented to and approved by the City of High Point's Parks & Recreation Commission Board.

Continuing to support festivals and events like the 2-day Coltrane Jazz Festival, regattas and holiday gatherings is a primary focus of the plan. To accommodate the expansion of festivals, the plan includes increased parking, a connecting walkway system, and the definition of spaces for performances. Five locations for temporary stages for festivals are strategically sited, utilizing existing grade as natural amphitheaters. Areas traditionally used to stage regattas remain.

Parking areas and associated drives on both sides of the spillway were reconfigured and expanded, increasing parking from 45 to 166 spaces, 104 on the west side and 62 on the east side. A view of the lake from the parking area on the east side is maintained by the master plan.

The walkway system connects both sides of the park across the Deep River benefiting both festivals and everyday use. Two pedestrian connections are illustrated. One parallels Eastchester Road, while the other is internal to the park, crossing the river just south of the spillway. In addition to connecting the two sides of the park, walkways eliminate the need for blocking off the road during festivals, define spaces for gathering and performance and provide the everyday visitor with an enhanced experience. The system creates a walk that is nearly a mile from one end of the park to the other. The circle loop of the west side of the park is one-third of a mile. All walkways are accessible and include designated areas to enjoy the views of the lake.

In addition to restructuring the park with the new walkway system and the defining specific spaces the master plan also recommends the following improvements:

- Replacement of the existing playground and the addition of a new playground. Each playground will be inclusive and
 offer play experiences for children of all ages.
- Renovation of restroom facilities / New restroom facilities
- Picnic facilities / shelters
- Enhanced landscaping
- Lighting
- Site amenities, benches / trash receptacles
- Identity / Wayfinding Signage
- Stormwater treatment facilities (2 ponds)
- Utility Infrastructure (electrical, sewer and water)

Eric Olmedo, Assist. City Manager City of High Point 211 S. Hamilton Street High Point, NC 27260

Dear Eric,

Visit High Point continues to work with area community partners to activate an impactful events calendar to draw attention from visitors and locals to our city. Please note that many events have been cultivated and are turnkey without city services. However, the events outlined below are within the investment metrics for Visit High Point where our organization will be supporting these events through our sponsorship budget and will need additional ancillary support from the City. In addition to our dollar investment, our commitment of staff capacity will also be planned throughout this events calendar. We value our partnership and understand the limitations of City staffing and funding. The events below are within scope and alignment with tourism, downtown, and overall economic development goals for High Point.
