COMMUNITY DEVELOPMENT AND HOUSING

City Manager's Briefing
March 4, 2024

HUD ENTITLEMENT COMMUNITY

The Community Development Block Grant (CDBG) Entitlement Program provides annual grants on a formula basis to entitled cities and counties to primarily address the needs of low- to moderate-income families.

- Some of the eligible activities include acquisition of real property, rehabilitation of residential properties, public improvements, and economic development and job retention activities.
- Each activity must meet one of the following national objectives for the program:
 - benefit low- and moderate-income persons,
 - prevention or elimination of slums or blight, or
 - address community development needs having a particular urgency.

HOME PARTICIPATING JURISDICTION (PJ)

The HOME Program was created by the National Affordable Housing Act of 1990 (NAHA), and HOME funds are allocated by formula to PJs.

The intent of the HOME Program is to:

- Provide decent affordable housing to lower-income households,
- Expand the capacity of nonprofit housing providers,
- Strengthen the ability of state and local governments to provide housing, and
- Leverage private-sector participation.

STRENGTHENING NEIGHBORHOODS

Our goal is to strengthen neighborhoods by:

- Providing decent, safe and affordable housing for low- to moderate-income families
- Promoting community and economic development opportunities
- Assisting with provision of services for homeless and other vulnerable populations
- Strategic code enforcement
