## CITY OF HIGH POINT AGENDA ITEM

TITLE: Washington Street & Downtown Underground, Showroom Dist. – Material Purchase						
FROM: Tyler Berrier, PE – Electric Utilities Director	MEETING DATE: August 5, 2024					
PUBLIC HEARING: n/a	ADVERTISED DATE/BY: Sourcewell – 091422-WES					
ATTACHMENTS: Sourcewell Quote Itemized Material List Bid Recommendation Form						

**PURPOSE:** The City is procuring materials (underground wire, conduit, vaults, transformers, lights, etc.) for two upcoming streetscape projects, Washington Street and the downtown showroom district.

**BACKGROUND:** The Electric Department is procuring materials to be used on two undergrounding projects (both projects are in the Electric CIP). The Warehouse Division of the Finance Department is utilizing our Sourcewell contract to procure materials for this project, and the Electric Department will self-perform the work after conduit and vaults are installed. Both the Washington Street and Showroom District improvements are previously approved projects, with the HP Market Authority receiving a grant for the Showroom District improvements. These are all standard materials used regularly by the City of High Point Electric Utilities department.

**BUDGET IMPACT:** Funds are included in the Electric capital budget to cover both projects.

**RECOMMENDATION/ACTION REQUESTED:** Staff are recommending that City Council approve, and the department be given the ability to procure these materials. The department is recommending that the bid for this material to be awarded to Wesco, Inc. for \$3,178,681.54.

## BID RECOMMENDATION

DEPARTMENT: Electr	ic							
COUNCIL AGENDA DA	ATE: August 1, 2024	1						
BID NO.: Sourcewe	ell Contract co	NTRACT NO.: Sourcew	vell - 091422 DATE C	PENED: N/A				
DESCRIPTION:	2	<b></b>						
Washington Street & Downtown Underground, Showroom Dist. – Material Purchase								
PURPOSE:	PURPOSE:							
		erground wire, cond Washington Street a		mers, lights, etc.) for showroom district.				
COMMENTS:								
The Electric Department is procuring materials to be used on two undergrounding projects (both projects are in the Electric CIP). The Warehouse Division of the Finance Department is utilizing our Sourcewell contract to procure materials for this project, and the Electric Department will self-perform the work after conduit and vaults are installed.								
RECOMMEND AWARD	WESCO [	Distribution	AMOUN	T: \$3,178,681.54				
JUSTIFICATION:								
Both the Washington Street and Showroom District improvements are previously approved projects, with the HP Market Authority receiving a grant for the Showroom District improvements. These are all standard materials used regularly by the City of High Point Electric Utilities department.
