Subject: Opioid Settlement Request from Guilford County

Please find attached a Resolution and Memorandum of Agreement which has been presented from Guilford County with a request for consideration by the High Point City Council. The final decision regarding a settlement in the matter will be influenced by the support which the Counties and States can show from all local governmental entities. Hence, it's important for Guilford to request your approval/support.

Although High Point did not file a lawsuit against the pharmaceuticals, HP is still entitled to receive some of the settlement funds, should such be awarded.

This item has been placed in a packet for an addendum item. The information is rather voluminous and I wanted you to have an opportunity for review prior to tonight.

Thanks,
jc
