PURPOSE:

A request by Community Development and Housing – Local Codes Section to adopt an ordinance ordering the inspector to demolish the dwelling at 1006 Meadowbrook Blvd.

BACKGROUND:

After a Complaint and Notice of Hearing was issued and a hearing held, an Order to Repair or Demolish was issued on 12/9/2020. No action occurred by the compliance date of 1/11/2021. The necessary repairs to the dwelling exceed its current tax value and the demolition is warranted.

BUDGET IMPACT:

Funds are available in the Department budget for the demolition and asbestos testing of the structure(s), and for the asbestos removal if present.

RECOMMENDATION / ACTION REQUESTED:

Staff recommends the adoption of the requested ordinance to demolish this single family dwelling and all outbuildings on the property.

PENDING ACTION:

The ordinance becomes effective from the date of adoption. If there is no action by the property owner by the effective date of the ordinance, then asbestos testing and the demolition bid process will begin and the structure will be removed by the City. After City demolition, the property owner is billed for the cost. If the bill is unpaid, the City places a lien on the property.
