CITY OF HIGH POINT

AGENDA ITEM

TITLE: Easement Agreement with AMTRAK to operate at the High Point Depot	
FROM: Greg Venable, Transportation Director	MEETING DATE: March 3, 2025
PUBLIC HEARING: N/A	ADVERTISED DATE/BY: N/A
ATTACHMENTS: Easement Agreement	

PURPOSE: This Easement Agreement between the City and Amtrak will allow Amtrak use of the Depot to conduct passenger rail service in High Point.

BACKGROUND: On March 26, 1998, the City granted Amtrak an easement over the Premises. This is an extension of that agreement. The expiration date of this agreement will be December 31, 2039. Amtrak agrees to pay a pro-rata share for utilities and maintenance and repair expenses of the facility. The Agreement includes the right of Amtrak, its employees, agents, contractors, licensees, and invitees, at all times to use the facility for the purposes of operating its rail passenger services.

BUDGET IMPACT: There is no budget impact for this item.

RECOMMENDATION/ACTION REQUESTED: City Council is requested to approve the Easement Agreement with Amtrak and authorize the appropriate City Official(s) to execute all necessary documents.

NORTH CAROLINA

GUILFORD COUNTY

THIS EASEMENT AGREEMENT ("Agreement"), is made this ____ day of _____, 2025 by and between the CITY OF HIGH POINT, NORTH CAROLINA ("CITY") and NATIONAL RAILROAD PASSENGER CORPORATION, a corporation organized under the former Rail Passenger Service Act [recodified at 49 U.S.C. §24101 et. seq.] and the laws of the District of Columbia ("AMTRAK"), with offices at 1 Massachusetts Avenue, NW, Washington, DC 20001.

WITNESSETH

WHEREAS, CITY entered into a lease agreement (including any renewals thereof, "Lease") and a license agreement (including any renewals thereof "License") with the North Carolina Railroad Company and the Norfolk Southern Railway Company (collectively "Railroad") pursuant to which the CITY leased and restored certain properties, including the historic 1907 former depot in the City of High Point ("Depot"), which after restoration includes the premises as set forth in Exhibit A attached hereto and made a part hereof ("Premises"), said properties collectively referred to as "Facilities"; and

WHEREAS, on or about March 26, 1998 the City granted Amtrak an easement over the Premises pursuant to an Easement Agreement by and between the parties hereto; and

WHEREAS, AMTRAK now desires a renewal of its easement across the Premises for the purpose of conducting its rail passenger service operations;

NOW THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. CITY does hereby irrevocably agree that from and after the date of its right to possession and use of the Facilities under the Lease and License it assumed all of the Norfolk Southern Railway Company's obligations and duties under that certain agreement, dated January 2, 1979, as amended, between AMTRAK and the Norfolk Southern Railway Company, successor to the Southern Railway Company, but only insofar as such obligations and duties can be discharged through maintenance and operation of the Facilities during the term of the Lease and License (including any renewal or extension thereof). In addition, the parties specifically agreed that the undertaking entered into hereby shall not have any effect on AMTRAK's rights pursuant to Section 402(a) of the former Rail Passenger Service Act [recodified at 49 U.S.C. § 24308(a)] to use the Facilities in the event such use is not covered by a lease or other agreement between AMTRAK and CITY or Railroad.

2. CITY hereby gives, grants, and conveys to AMTRAK, its successors and assigns, employees, agents, contractors and licensee, a non-exclusive easement over the Premises, which includes the permanent location as described herein. Upon completion of

the Restoration Project in 2003, AMTRAK station facilities were relocated to a permanent location, at CITY's cost, into space in the Depot specifically designed for AMTRAK's use as a rail passenger station ("Station") The permanent location is used for the Amtrak Ticket Office and Baggage Storage Area. CITY also grants to AMTRAK, its agents, employees, passengers and invitees, a non-exclusive easement and unrestricted right to use the common areas ("Common Areas") of the Facilities, defined to mean those areas of the Facilities which may be furnished by CITY or others in or near the Facilities for the non-exclusive general common use of tenants and other occupants of the Facilities and their invitees, to include, without limitation, the concourses, restrooms, passenger waiting and access areas, driving and parking areas on the Facilities outside of the Depot. AMTRAK, its agents, employees, passengers and invitees shall have access to the Common Areas twenty-four (24) hours a day.

3. As the Lease and License were previously executed, this Agreement is currently in effect, but the parties note that the City is in holdover thereunder. The term of this Agreement shall be co-terminous with the term of the Lease and shall commence on the date hereof ("Commencement Date") and shall expire automatically upon the expiration of the Lease ("Expiration Date") or earlier termination of the CITY's right of possession and use of the Premises for any reason. The Expiration Date is expected to be on or about December 31, 2039

Thirty (30) days following execution of a renewal or extension of the Lease, the CITY shall prepare a supplemental agreement evidencing the Commencement Date and the Expiration Date, to be executed by CITY and AMTRAK. AMTRAK may terminate this Agreement upon ninety (90) days written notice to CITY in the event AMTRAK terminates or relocates rail passenger service to High Point, North Carolina.

4. AMTRAK shall pay to CITY during the term of this Agreement for the rights granted in this Agreement one dollar (\$1.00) per year for the use and occupancy of the Premises.

5. AMTRAK shall pay CITY a pro-rata share of electricity, gas, water, sanitation charges, and any other utility expenses of the Facilities, based on square footage, and hours used per month. AMTRAK is to be billed monthly by CITY, and same will be payable by AMTRAK within thirty (30) days of receipt.

6. AMTRAK shall pay CITY a pro-rata share of the maintenance and repair expenses of the Facilities, based on the ratio of the square footage of space occupied exclusively by AMTRAK to the total square footage of the Facilities. AMTRAK is to be billed monthly by CITY, and same will be payable by AMTRAK within thirty (30) days of receipt. CITY shall be responsible for the maintenance and repair of the Facilities.

AMTRAK agrees to allow CITY access to the Premises at any reasonable hour in order for CITY to make necessary repairs. Without in any way limiting the maintenance responsibilities of CITY, CITY shall be responsible for the following maintenance and repair of the Facility: all structural repairs, periodic window washing of all exterior windows; daily

maintenance of all Common Areas and walls; snow removal from all driveways, sidewalks, parking lots and Common Areas; and maintenance and repair of the plumbing, heating, ventilating, air conditioning and electrical systems.

7. The Agreement herein granted shall include the right of AMTRAK, its employees, agents, contractors, licensees, and invitees, at all times to enter upon and use the Premises for the purposes of operating its rail passenger services; together with all rights and privileges necessary or convenient for the full enjoyment and use thereof for the above mentioned purposes, including the right of ingress and egress across adjoining lands of the CITY for the purpose of exercising the rights granted herein.

8. AMTRAK shall defend, indemnify, and hold harmless the CITY and its officers, directors, employees, agents, successors, and permitted assigns from and against all losses, damages, liabilities, deficiencies, actions, judgments, interest, awards, penalties, fines, costs, or expenses including reasonable attorneys' fees arising out of or resulting from:

(a) bodily injury, death of any person, or damage to real or tangible, personal property resulting from the willful, fraudulent, or negligent acts or omissions of AMTRAK or its personnel; and

(b) AMTRAK's breach of any representation, warranty, or obligation of AMTRAK set forth in this Agreement.

9. (a) AMTRAK understands and agrees that the CITY is and will continue to be self-insured for workers' compensation, employer's liability, general liability, and automobile liability through the consortium of self-insured governmental entities known as the Guilford City/County Insurance Advisory Committee.

(b) CITY will maintain property insurance covering the CITY's buildings, including without limitation the Facilities, against loss or damage by fire and such other hazards as are included in the extended coverage endorsement in an amount not less than 100% of the full value of such property. This insurance shall contain a waiver of subrogation against AMTRAK.

(c) The CITY may request AMTRAK'S approval to modify the insurance requirements of this Section 9 no more than once every five (5) years to include the right by the CITY to (i) self-insure, (ii) modify insurance limits, or (iii) modify deductibles.

(d) AMTRAK, upon review of the legal and insurance environment at the time of the review will determine whether such modification is acceptable and shall notify the CITY of its determination within thirty (30) days of the CITY's request.

(e) Notwithstanding the provisions herein, the CITY and AMTRAK each waive all rights of recovery against the other party, its employees, agents, officers or directors, for any loss or damage of the property of each respective party located on or about the Facilities

or comprising a part thereof, resulting from fire or other causes which are normally covered by fire and extended coverage insurance regardless of whether the loss or damage is due to negligence or otherwise.

10. If at any time AMTRAK shall deem flagmen or watchmen necessary to protect train operations, property, or ensure the safety of employees, invitees or licensees, AMTRAK shall have the right to place such flagmen or watchmen at the sole cost and expense of the CITY. The CITY covenants and agrees to bear the full cost and expense thereof and to reimburse promptly AMTRAK upon demand. The furnishing or failure to furnish flagmen or watchmen to AMTRAK, however, shall not release the CITY from any and all other liabilities assumed by the CITY under the terms of this Agreement.

11. The CITY shall keep, repair and maintain, at the CITY's expense, the Premises and all plumbing, heating, air conditioning, electrical and mechanical devices, appliances and equipment of every kind or nature (other than equipment owned by AMTRAK) affixed to or serving the Premises, in good repair, condition and working order, and, if necessary shall make such alterations, additions and/or modifications of the Premises and all equipment, electrical and mechanical devices and appliances thereon or serving the same so as to comply at all times with all applicable federal, state and local laws, ordinances, rules and regulations pertaining to healthy, safety, fire and public welfare.

12. The CITY constructed in the Premises and Facilities area, for the nonexclusive use of AMTRAK, (i) a waiting room with seating, public rest rooms and signage identifying AMTRAK'S rail passenger service (ii) the platform and (iii) the parking area. The waiting room, platform and parking area and any improvements therein and thereon were constructed in accordance with the requirements of the Americans with Disabilities Act of 1990 (the "ADA"). In the event such improvements are not required to comply with the ADA, the CITY certifies in writing that said improvements comply with minimum requirements of the North Carolina Uniform Building Code ("Code") pertaining to access by disabled persons. As hereinafter used, the term "the standards" shall mean and incorporate those standards approved by the United States Department of Justice for meeting the minimum requirements of the ADA or, if applicable, those standards issued or promulgated by the American National Standards Institute, entitled "American National Standard Specifications for Making Buildings and Facilities Accessible to and Usable by Physically Handicapped People", ANSI-Af17.1-1980, and the term "accessible" shall mean accessible to disabled individuals in accordance with the ADA. BACKGROUND: The City of High Point ("City") owns 120 West Commerce Avenue, consisting of approximately 1.97 acres and identified as Guilford County PIN 7800241468 ("Property"). The City's public parking garage known as the Plaza Deck is located on the Property. Natuzzi Americas, Inc. In order to resolve the existing overhang, Natuzzi desires to amend the easement deed to return its rights under the original easement to the City, in exchange for a new air space easement from the City over another 99 square foot section of the Property.

BUDGET IMPACT: N/A

RECOMMENDATION/ACTION REQUESTED: City Council is requested to adopt the resolution approving the exchange of property and amendment of easement deed pursuant to N.C.G.S. §160A-271 and authorize the appropriate City Official(s) to execute all necessary documents.

**RESOLUTION OF THE HIGH POINT CITY COUNCIL
AUTHORIZING EXCHANGE OF REAL PROPERTY**

WHEREAS, the City of High Point (“City”) owns certain property more particularly described as 120 West Commerce Avenue consisting of approximately 1.97 acres and identified as Guilford County PIN 7800241468 (“Property”);

WHEREAS, Natuzzi has requested to amend the Old Easement to return its rights thereunder to the City in exchange for a new air space easement over a different portion of the Property also consisting of approximately 99 square feet (“New Easement”);

WHEREAS, the City has no use for the air rights over the 99 square foot section of the Property that would be subject to the New Easement;

WHEREAS, North Carolina General Statute § 160A-271 authorizes the City to exchange real property by private negotiation for full and fair consideration;

WHEREAS, the two 99 square foot sections of the Property, being of approximately the same size, on the same parcel, similarly situated on that parcel, and on the portion of that parcel that does not accommodate the City’s parking deck, are approximately equal in value; and

WHEREAS, Natuzzi will also pay the City the sum of \$10.00 as part of the exchange.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City that:

Section 1. The City Council authorizes exchange of the property described above through private negotiation authorized by North Carolina General Statute § 160A-271.

FROM: Bobby Fitzjohn, Financial Services Director	MEETING DATE: March 3, 2025
PUBLIC HEARING: March 3, 2025	ADVERTISED DATE/BY: February 21, 2025
ATTACHMENTS: Notice of Public Hearing Initial Resolution	

PURPOSE: The Financial Services Department recommends that the City Council take the first steps to authorize the issuance of up to \$6,800,000 Series 2025 Limited Obligation Bonds for Stadium Modifications.

BACKGROUND: The Financial Services Department recommends issuing up to \$6.8 million Series 2025 Limited Obligation Bonds to reimburse the City for previously authorized stadium modifications and equipment. On the recommendation of the City’s Financial Advisor and after consulting with the Local Government Commission, a Direct Bank Loan RFP was distributed in January 2025.

The RFP for Direct Bank Loan financing was distributed on January 21, 2025 to over 50 national, Regional, and Local lending institutions. The City received 6 proposals. TD Bank proposed a 5.53%, 15-year option with a call date of April 1, 2028. This proposal reflected the best overall value to the City, both in terms of interest rate and repayment flexibility.

On March 17, City Council will consider a Final Resolution authorizing the bond issuance. On April 1st, the LGC will consider approving the financing. On April 10, the City will close with the winning lender.

BUDGET IMPACT: Repayment of the proposed bonds will be included in the General Debt Service Fund budget beginning in FY2025-2026.

RECOMMENDATION/ACTION REQUESTED: City Council is requested to hold a public hearing on March 3, 2025 at 5:30pm as required by state law on the issuance of the referenced Limited Obligation Bonds, adopt the Resolution Authorizing the Negotiation Of An Amendment To An Installment Financing Contract And Providing For Certain Other Related Matters Thereto, and authorize the appropriate City Official(s) to execute all necessary documents.

NOTICE OF PUBLIC HEARING

The City of High Point, North Carolina (the "City") previously entered into an Installment Financing Contract, dated as of April 1, 2020 (the "2020 Contract"), with High Point Public Facilities Corporation (the "Corporation") to finance the renovation, improvement and expansion of the police headquarters/communications center located at 1730 Westchester Drive, High Point, North Carolina (the "Police Headquarters Project"). The City is considering entering into an amendment to the 2020 Contract (the "Amendment") in a principal amount currently expected not to exceed \$6,800,000 to (1) finance renovations and improvements to the City's existing Multi-Use Sports & Entertainment Stadium (the "2024 Project") and (2) pay the costs associated with entering into the Amendment.

To secure its obligations under the 2020 Contract, the City has granted a security interest in the site of Police Headquarters Project and the real estate improvements thereon and appurtenances thereto (collectively, the "Mortgaged Property") pursuant to a Deed of Trust, Security Agreement, and Fixture Filing, dated as of April 1, 2020 (the "Deed of Trust"). The City's obligations under the 2020 Contract and the Amendment will be secured by Mortgaged Property under the Deed of Trust.

The Contract and the Deed of Trust permit the City to enter into amendments to finance additional projects and refinance projects using the Mortgaged Property as collateral and the City may or may not grant additional collateral in connection with such amendments. On the City's payment of all installment payments due under the 2020 Contract and the Amendment, including any future amendments to finance additional projects or refinance projects, the lien created in the Mortgaged Property will terminate and any security interest granted under the Deed of Trust will be released.

NOTICE IS HEREBY GIVEN, pursuant to Section 160A-20 of the General Statutes of North Carolina, that on March 3, 2025 at or about 5:30 p.m. the City Council of the City of High Point will conduct a public hearing in the Council Chambers on the 3rd floor of the Municipal Building located at 211 South Hamilton Street in High Point, North Carolina, concerning the approval of the execution and delivery of the Amendment. The Financial Services Director of the City of High Point, North Carolina (the “*City*”) reported to the City Council (the “*City Council*”) that notice of a public hearing was published on February 21, 2025, stating that the City Council would hold a public hearing at 5:30 p.m. on March 3, 2025 to receive public comments on the proposed execution and delivery by the City of an amendment to the Installment Financing Contract dated as of April 1, 2020 (the “*2020 Contract*”) in a principal amount not to exceed \$6,800,000 (the “*First Amendment*”), the proceeds of which will be used to (i) finance renovations and improvements to the City’s existing Multi-Use Sports & Entertainment Stadium (the “*2025 Project*”) and (ii) pay the costs associated with entering into the First Amendment. The public hearing notice stated, among other things, that the City’s obligations under the 2020 Contract and the First Amendment will be secured by the Deed of Trust, Security Agreement, and Fixture Filing, dated as of April 1, 2020 (the “*Deed of Trust*”), which previously granted a security interest in the site of the police headquarters/communications center located at 1730 Westchester Drive, High Point, North Carolina and the real estate improvements thereon and appurtenances.

_____ moved that the public hearing be closed. The motion was unanimously adopted.

After the closing of the public hearing, _____ moved that the following resolution, a summary of which had been provided to each Council Member and a copy of which was available with City Clerk, be adopted:

RESOLUTION OF THE CITY OF HIGH POINT, NORTH CAROLINA, AUTHORIZING THE NEGOTIATION OF AN AMENDMENT TO AN INSTALLMENT FINANCING CONTRACT AND PROVIDING FOR CERTAIN OTHER RELATED MATTERS THERETO

WHEREAS, the City of High Point, North Carolina (the “*City*”) is a municipal corporation validly existing as such under and by virtue of the Constitution, statutes and laws of the State of North Carolina (the “*State*”);

WHEREAS, the City has the power, pursuant to the General Statutes of North Carolina to (1) enter into installment contracts in order to purchase, or finance the purchase of, real or personal property and to finance the construction or repair of fixtures or improvements on real property and (2) create a security interest in some or all of the property financed to secure repayment of the purchase price;

WHEREAS, the City Council of the City (the “*City Council*”) determines that it is in the best interest of the City to finance, and reimburse the City for the costs of, renovations and improvements to the City’s existing Multi-Use Sports & Entertainment Stadium (the “*2025 Project*”);

WHEREAS, the City has previously entered into an Installment Financing Contract dated as of April 1, 2020 (the “*2020 Contract*”), with High Point Public Facilities Corporation (the “*Corporation*”) to finance the renovation, improvement and expansion of a facility to be used as a police headquarters/communications center (the “*Police Headquarters Project*”);

WHEREAS, to secure its obligations under the 2020 Contract, the City executed and delivered a Deed of Trust, Security Agreement and Fixture Filing dated as of April 1, 2020 (the “*Deed of Trust*”) granting a security interest in the City’s fee simple interest in the real property on which Police Headquarters Project is located, together with the improvements thereon;

WHEREAS, the Corporation has determined to assist the City with financing the 2025 Project by the issuance of its additional Limited Obligation Bonds under the Indenture of Trust dated as of April 1, 2020 (the “*2020 Indenture*”) between the Corporation and U.S. Bank Trust Company, National Association, as successor trustee (the “*Trustee*”);

WHEREAS, for the Corporation to assist the City in financing the 2025 Project under the 2020 Indenture and the 2020 Contract, the City Council hereby determines that it is in the best interest of the City to enter into an amendment to the 2020 Contract (the “*First Amendment*” and together with the 2020 Contract, the “*Contract*”) with the Corporation;

WHEREAS, the City staff has retained (1) Parker Poe Adams & Bernstein LLP, as bond counsel (“*Bond Counsel*”) and (2) Davenport & Company, LLC, as financial advisor (the “*Financial Advisor*”), in connection with the proposed financing;

WHEREAS, the City staff has solicited requests for proposal from financial institutions for the First Amendment and recommends selecting TD Bank, N.A. (the “*Bank*” and together with Bond Counsel, the Financial Advisor and the Trustee, the “*Financing Team*”);

WHEREAS, the City hereby determines that the 2025 Project is essential to the City’s proper, efficient and economic operation and to the general health and welfare of its inhabitants; that the 2025 Project will provide an essential use and will permit the City to carry out public functions that it is authorized by law to perform; and that entering into the First Amendment is necessary and expedient for the City by virtue of the findings presented herein;

WHEREAS, the City hereby determines that the First Amendment allows the City to finance the 2025 Project at a favorable interest rate currently available in the financial marketplace and on terms advantageous to the City;

WHEREAS, the City hereby determines that the estimated cost of financing the 2025 Project is an amount not to exceed \$6,800,000, and that such cost of the 2025 Project exceeds the amount that can be prudently raised from currently available appropriations, unappropriated fund balances and non-voted bonds that could be issued by the City in the current fiscal year pursuant to Article V, Section 4 of the Constitution of the State;

WHEREAS, although the cost of financing the 2025 Project pursuant to the First Amendment is expected to exceed the cost of financing the 2025 Project pursuant to a bond financing for the same undertaking, the City hereby determines that the cost of financing the 2025 Project pursuant to the First Amendment and the Deed of Trust and the obligations of the City thereunder are preferable to a general obligation bond financing or revenue bond financing for several reasons, including but not limited to the following: (1) the cost of a special election necessary to approve a general obligation bond financing, as required by the laws of the State, would result in the expenditure of significant funds; (2) the time required for a general obligation bond election would cause an unnecessary delay which would thereby decrease the financial benefits of the 2025 Project; and (3) insufficient revenues are produced by the 2025 Project so as to permit a revenue bond financing;

WHEREAS, the City has determined and hereby determines that the estimated cost of financing the 2025 Project pursuant to the First Amendment reasonably compares with an estimate of similar costs under a bond financing for the same undertaking as a result of the findings delineated in the above preambles;

WHEREAS, the City does not anticipate a future property tax increase to pay installment payments falling due under the First Amendment; however, any property tax increase, if necessary, to pay installment payments falling due under the First Amendment will not be excessive;

WHEREAS, no deficiency judgment may be rendered against the City in any action for its breach of the Contract, and the taxing power of the City is not and may not be pledged in any way directly or indirectly or contingently to secure any money due under the Contract;

WHEREAS, the City is not in default under any of its debt service obligations;

WHEREAS, the City's budget process and Annual Budget Ordinance are in compliance with the Local Government Budget and Fiscal Control Act, and external auditors have determined that the City has conformed with generally accepted accounting principles as applied to governmental units in preparing its Annual Budget Ordinance;

WHEREAS, past audit reports of the City indicate that its debt management and contract obligation payment policies have been carried out in strict compliance with the law, and the City has not been censured by the Local Government Commission of North Carolina (the "LGC"), external auditors or any other regulatory agencies in connection with such debt management and contract obligation payment policies;

WHEREAS, a public hearing on the execution and delivery of the First Amendment after publication of a notice with respect to such public hearing was held at this meeting and approval of the LGC with respect to entering the First Amendment must be received before the execution and delivery thereof; and

WHEREAS, the City Council hereby determines that all findings, conclusions and determinations of the City Council in this Resolution are subject to modification or affirmation prior to the execution and delivery of the First Amendment;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HIGH POINT, NORTH CAROLINA, AS FOLLOWS:

Section 1. **Authorization to Negotiate the First Amendment.** The Mayor, the City Manager, the Financial Services Director, the City Clerk, the City Attorney, and their respective designees, individually and collectively, with advice from the City's bond counsel, are hereby authorized and directed to proceed and negotiate on behalf of the City the financing of the 2025 Project for a principal amount not to exceed \$6,800,000 pursuant to the First Amendment to be entered into in accordance with the provisions of Section 160A-20 of the General Statutes of North Carolina.

Section 2. **Application to LGC.** The Financial Services Director, or his designee, is hereby directed to file with the LGC an application for its approval of the First Amendment and all relevant transactions contemplated thereby on a form prescribed by the LGC and to state in such application such facts and to attach thereto such exhibits regarding the City and its financial condition as may be required by the LGC.

Section 3. **Approval of the Financing Team.** The Financing Team is hereby approved in connection with the financing of the 2025 Project and the execution and delivery of the First Amendment. The Financial Services Director, with advice from the City Attorney and Bond Counsel, is hereby authorized to retain such other professionals as he deems necessary in her judgment to carry out the transaction contemplated in this Resolution.
