not to exceed \$20,000,000 in total aggregate principal amount of its 2022C Bonds. The final principal amounts allocable to each Bond Order will be set forth in the Pricing Certificate.

Section 3. The Bonds shall be dated as of their date of issuance and pay interest semiannually on March 1 and September 1, beginning September 1, 2022. The 2022A Bonds are being issued to provide funds to pay the capital costs of constructing, renovating, improving, acquiring and equipping certain parks and recreation facilities located in the City, including, without limitation, the City Lake Park project, pursuant to and in accordance with the Bond Order described in clause (1) of the definition of Bond Orders (the “2022A Project”).

The 2022B Bonds are being issued to provide funds to (1) pay the capital costs of providing (a) street and sidewalk projects, (b) parks and recreation facilities, and (c) housing projects pursuant to and in accordance with the Bond Orders described in clause (2) of the definition of Bond Orders (collectively, the “2022B Projects”).

The City may refund all or a portion of the Refunded Bonds in order to achieve debt service savings. If the City determines to refund less than all of the Refunded Bonds, the Pricing Certificate will set forth the portion of the Refunded Bonds to be refunded with the proceeds of the 2022C Bonds.

Section 4. The City Council has ascertained and hereby determines that the average period of usefulness of the capital projects being financed by the proceeds of the Bonds is not less than 20 years computed from the date of issuance of the Bonds and the average period of usefulness of the capital projects being refinanced by the proceeds of the Bonds is not less than 10 years computed from the date of issuance of the Bonds.

Section 5. The final maturity of the 2022A Bonds and the 2022B Bonds shall not be later than March 1, 2042 and the final maturity of the 2022C Bonds shall not be later than March 1, 2032. The maturities of the Bonds will be as set forth in the Pricing Certificate. The Bonds may be sold as term bonds and, if so, will be subject to mandatory sinking fund redemption as set forth in the Pricing Certificate.

Section 6. The 2022A Bonds are to be numbered from “RA-1” consecutively and upward. The 2022B Bonds are to be numbered from “RB-1” consecutively and upward. The 2022C Bonds are to be numbered from “RC-1” consecutively and upward. All Bonds shall bear interest from their date at a rate or rates which will be hereafter determined on the sale thereof computed on the basis of a 360-day year of twelve 30-day months.

Section 7. The Bonds are to be registered as to principal and interest, and the Financial Services Director of the City is directed to maintain the registration records with respect thereto. The Bonds shall bear the original or facsimile signatures of the Mayor or City Manager of the City and the City Clerk, or their respective designees.

Section 8. The Bonds will initially be issued by means of a book-entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity of each series will be issued to The Depository Trust Company, Jersey City, New Jersey (“DTC”), and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the Bonds in principal amounts of \$5,000 or integral multiples thereof, with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Interest on the Bonds will be payable to DTC or its nominee as registered owner of the Bonds in immediately available funds. The principal of and interest on the Bonds will be payable to owners of Bonds shown on the records of DTC at the close of business on the 15th day of the month preceding an interest payment date or a bond

payment date. The City will not be responsible or liable for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

If (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Financial Services Director for the City determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the City will discontinue the book-entry system with DTC. If the City fails to identify another qualified securities depository to replace DTC, the City will authenticate and deliver replacement bonds in accordance with DTC's rules and procedures.

Section 9. The 2022A Bonds and the 2022C Bonds will not be subject to redemption prior to maturity. The 2022B Bonds maturing on or before March 1, 2032 will not be subject to redemption prior to maturity. The 2022B Bonds maturing on and after March 1, 2033 will be subject to redemption prior to maturity, at the option of the City, from any moneys that may be made available for such purpose, either in whole or in part on any date on or after March 1, 2032, at the redemption price of the principal amount of the 2022B Bonds to be so redeemed, plus accrued interest to the redemption date. Different redemption provisions may be established by the Pricing Certificate.

If the Bonds are subject to optional redemption and if less than all the Bonds are called for redemption, the City shall select the maturity or maturities of the Bonds of the respective series to be redeemed in such manner as the City in its discretion may determine, and DTC and its participants shall determine which Bonds within a maturity are to be redeemed in accordance with its rules and procedures; *provided, however*, that the portion of any Bond to be redeemed must be in principal amount of \$5,000 or integral multiples thereof and that, in selecting Bonds for redemption, each Bond is to be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. When the City elects to redeem any Bonds, notice of such redemption of such Bonds, stating the redemption date, redemption price, any conditions to the redemption and identifying the Bonds or portions thereof to be redeemed by reference to their numbers and further stating that on such redemption date there are due and payable on each Bond or portion thereof so to be redeemed, the principal thereof and interest accrued to the redemption date and that from and after such date interest thereon shall cease to accrue, is to be given not less than 30 days nor more than 60 days before the redemption date in writing to DTC or its nominee as the registered owner of such Bonds, by prepaid certified or registered United States mail (or by such other means as may be permitted by DTC's rules and procedures), at the address provided to the City by DTC, but any failure or defect in respect of such mailing will not affect the validity of the redemption. If DTC, or its nominee, is not the registered owner of such Bonds, the City will give notice at the time set forth above by prepaid first class United States mail, to the then-registered owners of such Bonds or portions thereof to be redeemed at the last address shown on the registration books kept by the City. The City will also mail or transmit by facsimile or electronic submission a copy of the notice of redemption within the time set forth above (1) to the Commission and (2) to the Municipal Securities Rulemaking Board (the "MSRB") through the Electronic Municipal Market Access ("EMMA") system or other electronic format as prescribed by the MSRB, but any failure or defect in respect thereto will not affect the validity of the redemption.

If at the time of mailing of the notice of redemption there is not on deposit money sufficient to redeem the Bonds called for redemption, such notice may state that it is conditional on the deposit of money for the redemption on the date of redemption as set forth in the notice. Any notice, once given, may be withdrawn by notice delivered in the same manner as the notice of redemption was given.

Section 10. The Bonds and the provisions for the registration of the Bonds and for the approval of the Bonds by the Secretary of the Commission are to be in substantially the forms set forth in the Appendices hereto.

Section 11. The City covenants that it will not take or permit, or omit to take or cause to be taken, any action that would adversely affect the exclusion from gross income of the recipient thereof for federal income tax purposes of the interest on the Bonds, and, if it should take or permit, or omit to take or cause to be taken, any such action, the City will take or cause to be taken all lawful actions within its power necessary to rescind or correct such actions or omissions promptly upon having knowledge thereof. The City acknowledges that the continued exclusion of interest on the Bonds from the owner's gross income for federal income tax purposes depends, in part, on compliance with the arbitrage limitations imposed by Section 148 of the Code. The City covenants that it will comply with all the requirements of Section 148 of the Code, including the rebate requirements, and that it will not permit at any time any of the proceeds of the Bonds or other funds under its control be used, directly or indirectly, to acquire any asset or obligation, the acquisition of which would cause the Bonds to be "arbitrage bonds" for purposes of Section 148 of the Code. The Financial Services Director is hereby authorized to execute a Tax Certificate.

Section 12. The Financial Services Director is hereby directed to create and establish a special fund to be designated "*City of High Point, North Carolina General Obligation Bonds, Series 2022 Project Fund*" (the "*Project Fund*") and within the Project Fund, one account for the proceeds of the 2022A Bonds (the "*2022A Bonds Account*"), one account for the proceeds of the 2022B Bonds (the "*2022B Bonds Account*") and one account for the proceeds of the 2022C Bonds (the "*2022C Bonds Account*"). The Financial Services Director may establish separate subaccounts within the Project Fund to track the expenditures related to each of the projects financed and refinanced with the proceeds of the Bonds.

The Financial Services Director shall (1) deposit the proceeds from the sale of the 2022A Bonds in the 2022A Bonds Account to pay costs related to the 2022A Project, (2) deposit the proceeds from the sale of the 2022B Bonds in the 2022B Bonds Account to pay costs related to the 2022B Projects, (3) and (4) transfer a portion of the proceeds from the sale of the 2022C Bonds to redeem the Refunded Bonds and deposit the remaining proceeds from the sale of the 2022C Bonds to the 2022C Bonds Account to pay costs related to the refunding of the Refunded Bonds.

The Financial Services Director shall invest and reinvest money held in the Project Fund as permitted by the laws of the State of North Carolina and the income, to the extent permitted by the Code, shall be retained in the respective account of the Project Fund and applied with the proceeds of the Bonds to pay the costs of the 2022A Project and the 2022B Projects, as applicable, including the costs of issuing the Bonds, as directed by the Financial Services Director. The Financial Services Director shall keep and maintain adequate records pertaining to the Project Fund and all disbursements therefrom so as to satisfy the requirements of the laws of the State of North Carolina and to assure that the City maintains its covenants with respect to the exclusion of the interest on the Bonds from gross income for purposes of federal income taxation.

Section 13. Actions taken by officials of the City to select paying and transfer agents, and a bond registrar, or alternate or successor agents and registrars pursuant to Section 159E-8 of the Registered Public Obligations Act, Chapter 159E of the General Statutes of North Carolina, are hereby authorized and approved.

Section 14. The Commission is hereby requested to sell the 2022A Bonds, the 2022B Bonds and the 2022C Bonds through a competitive sale to the bidder whose bid on that series of Bonds results in the lowest interest cost to the City, determined on the true interest cost basis.

Section 15. The Authorized Officers, and their respective designees, individually and collectively, are hereby authorized and directed to cause the Bonds to be prepared and, when they have been duly sold by the Commission, to execute the Bonds and to turn the Bonds over to the registrar and transfer agent of the City, if any, for delivery through the facilities of DTC to the purchaser or purchasers to whom they may be sold by the Commission.

Section 16. The form and content of the Notices of Sale and the Official Statements are in all respects authorized, approved and confirmed, and the Authorized Officers, individually and collectively, are authorized, empowered and directed to execute and deliver the Final Official Statement in substantially the form and content presented to the City Council, but with such changes, modifications, additions or deletions therein as shall to the Mayor, City Manager or the Financial Services Director of the City deem necessary, desirable or appropriate, their execution and delivery to constitute conclusive evidence of the approval of the City Council of any and all changes, modifications, additions or deletions therein from the form and content of the Preliminary Official Statement presented to the City Council.

Section 17. The Authorized Officers, and their respective designees, individually and collectively, are authorized and directed to execute and deliver for and on behalf of the City any and all additional certificates, documents, opinions or other papers and perform all other acts as may be required by the documents contemplated hereinabove or as may be deemed necessary or appropriate in order to implement and carry out the intent and purposes of this Resolution.

Section 18. The City agrees, in accordance with Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission (the “SEC”) and for the benefit of the Registered Owners and beneficial owners of the Bonds, as follows:

(b) by not later than seven months after the end of each fiscal year, beginning with the Fiscal Year ending June 30, 2022, to the MSRB, the financial and statistical data as of a date not earlier than the end of the preceding fiscal year for the type of information included under the captions “**THE CITY--Debt Information**” and “**--Tax Information**” (excluding information on overlapping units) in the Official Statement, to the extent such items are not included in the audited financial statements referred to in clause (a) above;

(c) in a timely manner not in excess of 10 business days after the occurrence of the event, to the MSRB, notice of any of the following events with respect to the Bonds:

- (3) unscheduled draws on the debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on any credit enhancements reflecting financial difficulties;
- (5) substitution of any credit or liquidity providers, or their failure to perform;

(6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds or other material events affecting the tax status of the Bonds;

(7) modification of the rights of the beneficial owners of the Bonds if material;

(8) call of any of the Bonds, if material, and tender offers;

(9) defeasance of any of the Bonds;

(10) release, substitution or sale of any property securing repayment of the Bonds, if material;

(11) rating changes;

(12) bankruptcy, insolvency, receivership or similar event of the City;

(13) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to such actions, other than pursuant to its terms, if material;

(14) appointment of a successor or additional trustee or the change of name of a trustee, if material;

(15) incurrence of a financial obligation of the City, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the City, any of which affect securities holders, if material; and

(16) a default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the City, any of which reflect financial difficulties; and

(d) in a timely manner to the MSRB, notice of the failure by the City to provide the required annual financial information described in (a) and (b) above on or before the date specified.

For purposes of this undertaking, “*financial obligation*” means (a) a debt obligation, (b) a derivative instrument entered into in connection with or pledged as security or a source of payment for, an existing or planned debt obligation, or (c) a guarantee of either clause (a) or (b) above. The term “*financial obligation*” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

The City agrees that its undertaking under this Section is intended to be for the benefit of the registered owners and the beneficial owners of the Bonds and is enforceable by any of the registered owners and the beneficial owners of the Bonds, including an action for specific performance of the City’s obligations under this Section, but a failure to comply will not be an event of default and will not result in acceleration of the payment of the Bonds. An action must be instituted, had and maintained in the manner provided in this Section for the benefit of all of the registered owners and beneficial owners of the Bonds.

All documents provided to the MSRB as described in this Section shall be provided in an electronic format as prescribed by the MSRB and accompanied by identifying information as prescribed by the MSRB. The City may discharge its undertaking described above by providing such information in a manner the SEC subsequently authorizes in lieu of the manner described above.

The City may modify from time to time, consistent with the Rule, the information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the City, but:

(a) any such modification may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the City;

(b) the information to be provided, as modified, would have complied with the requirements of the Rule as of the date of the Official Statement, after taking into account any amendments or interpretations of the Rule as well as any changes in circumstances;

(c) any such modification does not materially impair the interest of the registered owners or the beneficial owners, as determined either by parties unaffiliated with the City (such as bond counsel) or by the approving vote of the registered owners of a majority in principal amount of the Bonds.

Any annual financial information containing modified operating data or financial information will explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

The provisions of this Section terminate on payment, or provision having been made for payment in a manner consistent with the Rule, in full of the principal of and interest on the Bonds.

Section 19. Those portions of this Resolution other than Section 18 may be amended or supplemented, from time to time, without the consent of the owners of the Bonds if in the opinion of nationally recognized bond counsel, such amendment or supplement would not adversely affect the interests of the owners of the Bonds and would not cause the interest on the Bonds to be included in the gross income of a recipient thereof for federal income tax purposes. This Resolution may be amended or supplemented with the consent of the owners of a majority in aggregate principal amount of the outstanding Bonds, exclusive of Bonds, if any, owned by the City, but a modification or amendment (1) may not, without the express consent of any owner of Bonds, reduce the principal amount of any Bond, reduce the interest rate payable on it, extend its maturity or the times for paying interest, change the monetary medium in which principal and interest is payable, or reduce the percentage of consent required for amendment or modification and (2) as to an amendment to Section 18, must be limited as described therein.

Any act done pursuant to a modification or amendment consented to by the owners of the Bonds is binding on all owners of the Bonds and will not be deemed an infringement of any of the provisions of this Resolution, whatever the character of the act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent has been given, no owner of a Bond has any right or interest to object to the action, to question its propriety or to enjoin or restrain the City from taking any action pursuant to a modification or amendment.

If the City proposes an amendment or supplemental resolution to this Resolution requiring the consent of the owners of the Bonds, the City shall cause notice of the proposed amendment to be sent to each owner of the Bonds then outstanding by first-class mail, postage prepaid, to the address of such owner as it appears on the registration books; but the failure to receive such notice by mailing by any owner, or any defect in the mailing thereof, will not affect the validity of any proceedings pursuant hereto. Such

notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal office of the City for inspection by all owners of the Bonds. If, within 60 days or such longer period as shall be prescribed by the City following the giving of such notice, the owners of a majority in aggregate principal amount of Bonds then outstanding have consented to the proposed amendment, the amendment will be effective as of the date stated in the notice.

Section 20. Nothing in this Resolution shall preclude (a) the payment of the Bonds from the proceeds of refunding bonds or (b) the payment of the Bonds from any legally available funds.

If the City causes to be paid, or has made provisions to pay, on maturity or on redemption before maturity, to the owners of the Bonds the principal of the Bonds (including interest to become due thereon) and, premium, if any, on the Bonds, through setting aside trust funds or setting apart in a reserve fund or special trust account created pursuant to this Resolution or otherwise, or through the irrevocable segregation for that purpose in some sinking fund or other fund or trust account with an escrow agent or otherwise, money sufficient therefor, including, but not limited to, interest earned or to be earned on Federal Securities, to the extent permitted by law, such Bonds shall be considered to have been discharged and satisfied, and the principal of the Bonds (including premium, if any, and interest thereon) shall no longer be deemed to be outstanding and unpaid; provided, however, that nothing in this Resolution requires the deposit of more than such Federal Securities as may be sufficient, taking into account both the principal amount of such Federal Securities and the interest to become due thereon, to implement any such defeasance.

If such a defeasance occurs and after the City receives an opinion of a nationally recognized verification agent that the segregated money or Federal Securities together with interest earnings thereon are sufficient to effect a defeasance, the City shall execute and deliver all such instruments as may be necessary to effect such a defeasance and desirable to evidence such release, discharge and satisfaction. The City shall make provisions to mail a notice to the owners of the Bonds that such money is available for such payment.

Section 21. If any one or more of the agreements or provisions herein contained is held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or for any reason whatsoever is held invalid, then such covenants, agreements or provisions are null and void and separable from the remaining agreements and provisions and will in no way affect the validity of any of the other agreements and provisions hereof or of the Bonds authorized hereunder.

Section 22. All resolutions or parts thereof of the City Council in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

Section 23. Unless otherwise set forth in the Pricing Certificate, after the issuance of the 2022C Bonds, the remaining amount of the Bond Order described in clause (3) of the definition of Bond Orders that is authorized but unissued with respect to the 2022C Bonds will be deemed repealed.

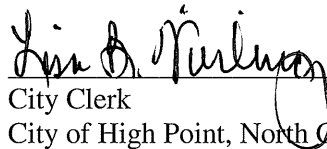

Section 24. This Resolution is effective on the date of its adoption.

Adopted this 21st day of March, 2022
