

CITY OF HIGH POINT

AGENDA ITEM

**Title: Rear Loading Refuse Truck**

From: Gary Smith, Fleet Director

Public Hearing: N/A

Attachments: Formal Bid Recommendation

Meeting Date: July 20, 2015

Advertising Date / N/A

Advertised By: N/A

PURPOSE:

The Solid Waste Division of Public Services has a rear loading refuse truck in need of replacement due to age and hours. Using a National Joint Powers Alliance (NJPA) contract a 2016 Freightliner truck with a New Way Rear Loading Refuse body is being recommended for Council approval.

BACKGROUND:

The Solid Waste Division is currently using a 2005 Sterling truck with the Heil rear loading body that has over 12,000 hours. This truck is used for residential garbage collection and is at the end of its useful life. Solid Waste has a total of nine rear loading trucks. This will help reduce downtime for the department as well as reduce overtime for our technicians. The New Way rear loading refuse body is similar to the ones they are currently using and will meet their needs. The price of \$180,982.84 is for one truck, rear loading refuse body installation, and delivery. Estimated delivery is 90-120 days.

BUDGET IMPACT:

Funds are available in 2015-16 Solid Waste Division budget

RECOMMENDATION / ACTION REQUESTED:

The Fleet Services Department recommends purchasing the Freightliner truck with New Way rear loading refuse body from Scranton Manufacturing Company. Recommendation also includes declaring the old truck as surplus and disposing through the online auction process.

**FORMAL BID RECOMMENDATION
REQUEST FOR COUNCIL APPROVAL**

DEPARTMENT: **Fleet Services**

COUNCIL AGENDA DATE: **July 20, 2015**

BID NO.: **NJPA** CONTRACT NO.: **12014-NWY** DATE OPENED:
