(unimproved portion of Patrick Avenue)

A request by the Technical Review Committee to abandon the unimproved portion of the Patrick Avenue right-of-way lying east of Randall Street.

WHEREAS, The City of High Point Technical Review Committee has petitioned the City Council of the City of High Point to permanently abandon (close) the unimproved excess right-of-way for Patrick Avenue lying east of Randall Street. This right-of-way is more specifically described as follows:

Church said point also being the northeastern property corner of the unopened portion of Patrick Avenue; thence southerly along the eastern property line of the unopened portion of Patrick Avenue to an existing property corner located at the northeastern corner of lot #15 as recorded in **(PB 21 PG 82)** in the Office of the Register of Deeds of Guilford County, North Carolina; thence westerly along the northern property line to the point and place of beginning. The described area encompasses +/- 0.15 acres.

WHEREAS, the petition has been duly filed with this Council in a Regular meeting assembled on the 17th day of August, 2015, at 5:30 p.m. setting the 21st day of September, 2015 at 5:30 p.m., in the Council Chambers of the Municipal Building, as the time and place for a public hearing before said Council on said petition, and public notice of said time and place was ordered given, all pursuant to North Carolina G.S. 160A-299; and

WHEREAS, due and proper notice of said hearing to be heard on the petition at this meeting of City Council was made by publication in the High Point Enterprise for four (4) consecutive weeks, beginning August 21 & 28, 2015 and September 4 & 11, 2015; and,

WHEREAS, the above entitled matter, pursuant to said resolution and notice was called for hearing before said Council at which time there was no objection or opposition offered on the part of any firm or corporation to abandon (closure) of that portion of the Patrick Avenue right-of-way, as previously described above; and

WHEREAS, it appearing to the satisfaction of this Council and the Council finds as a fact that the said right-of-way as herein described is not necessary for ingress and egress to any land adjoining said street; that the closing of said street is not contrary to the public interest and that no other individual, firm or corporation owning property in the vicinity of said street, or in the subdivision in which said street is located, will be deprived of reasonable means of ingress or egress to this property.
