ENCROACHMENT AGREEMENT**

THIS AGREEMENT (Agreement) made this 2 day of OCTOBER, 2017, between **THE CITY OF HIGH POINT**, a municipal corporation, located at 211 South Hamilton Street, High Point, North Carolina, 27260, existing under the laws of the State of North Carolina (the "City") and **THOMAS BUILT BUSES, INC.**, a domestic Business Corporation located at 1408 Courtesy Road, High Point, NC, 27260, hereinafter known as the "Company"

**WITNESSETH**

**WHEREAS**, the City owns the public right of way that includes Courtesy Road; and

**NOW, THEREFORE,** in consideration of the premises and \$150.00 in hand paid receipt of which is hereby acknowledged and other consideration, the Company hereby covenants and agrees that:

1. The Company is responsible for any and all expenditure of labor or materials required in the installation, erection, repair, maintenance or location of the above-referenced Structure.

2. The Company is responsible for any and all labor or expense which results from any and all future maintenance and repair of such Structure, and the removal or dismantling of the Structure if and when the Structure is removed.

3. The Company is to be fully responsible for any and all property damage or injury to or death of any person which results from any and all negligence, omission, defect in design, maintenance or workmanship created by the Company, its agents, employees, contractors or subcontractors in connection with the Encroachment, or any cause of action arising out of the installation, maintenance, or location of said Structure or any other cause of action arising out of the planting, installation, maintenance, or location of said Structure (collectively, "Claims and Causes of Action").

Company shall furnish the City upon the City's request, but no more than once in any 12 month period, a certification from the insurance carrier or carriers with whom the insurance herein mentioned is carried, stating that such compensation is covered by such carrier or carriers and showing such insurance to be in full force and effect (or proof of self-insurance as referenced below). Company shall give the City at least 30 days advanced written notice of any cancellation of any required coverage that is not replaced. Should Company fail to pay premiums upon said insurance, or should Company fail to obtain said insurance, or to perform any of the

agreements, terms, or conditions herein contained; the City at its option, by written notice may declare this agreement cancelled and terminated and all rights acquired hereunder by Company shall thereupon terminate, except Owner shall still be responsible for removing the Equipment from the right of way. In lieu of the foregoing, Company may self insure for any or all of the coverages set forth above.

6. The Company, upon completion of the installation of the Structure, shall submit to the City revised drawings in the form of an AutoCad (.dwg) file for retention by the City if the actual installation differs significantly from the installation shown on the Exhibit A (Site Plan) (in such event, the Company shall secure approval of the City prior to the differing installation).
