Piedmont Discovery App

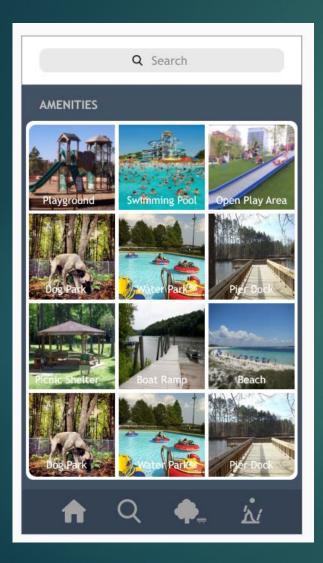

- *Piedmont Discovery* is a free park locator app that allows area residents and visitors to find parks and trails, near them, or search for a specific amenity they are interested in.
- In partnership with the City of Greensboro and Guilford County, this app will provide a comprehensive list of parks and trails managed by the three entities.
- Compatible with Android and iOS platforms
- Download for free from a smart phone or tablet, or access from your desktop or laptop.

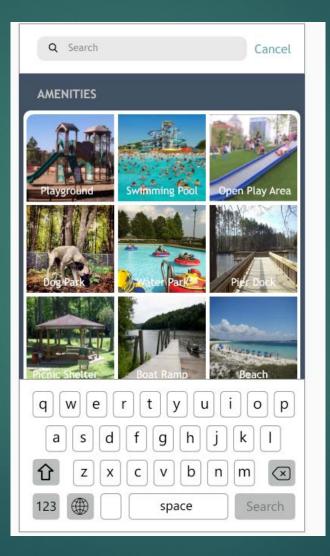

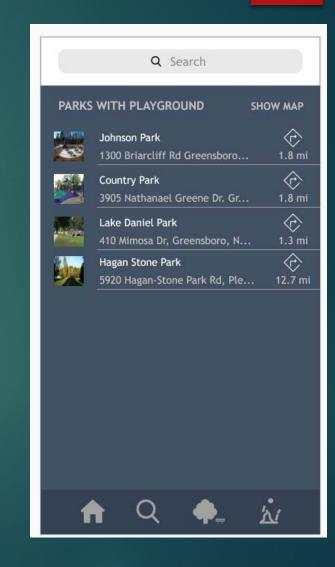

- Residents can search for parks by:
 - Amenities
 - By name
 - Near me

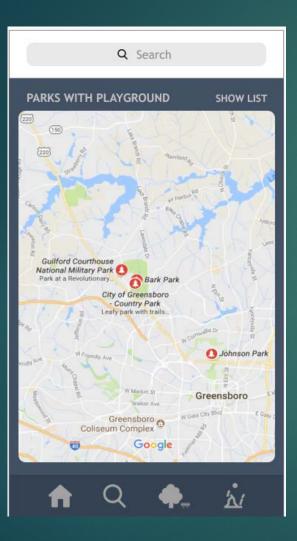

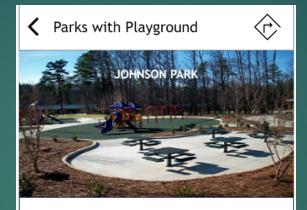

- Residents can search for trails by:
 - Attribute
 - By name
 - Near me

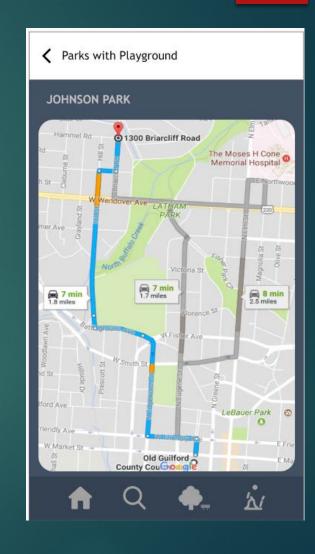

This three-acre park offers a stream and lots of playground equipment for local residents to enjoy. This playground area is located behind Irving Park and Latham Park neighborhoods on Briarcliff Rd., which can be accessed from Wendover Ave. or Sunset Dr. If coming down Sunset, follow the golf course. Briarcliff Rd. is across from the small pond. Stay to the left, and Johnson Park will be ahead on your left. This park has it all – great playground equipment, a huge grass area for picnics and running, a concrete slab with basketball goals that works great for ride-on toys, and picnic tables. It is a perfect park ifyou have kids of different ages, because you can easily keep an eye on all of them while they are at different areas of the park.

Smarty Tip: No bathrooms.
