### **RECOMMENDATION / ACTION REQUESTED:**

Staff recommends the adoption of the requested ordinance to demolish this single family dwelling and any outbuildings on the property.

### **PENDING ACTION:**

The ordinance becomes effective from the date of adoption. If there is no action by the property owner by the effective date of the ordinance, then asbestos testing and the demolition bid process will begin and the structure will be removed by the City. After City demolition, the property owner is billed for the cost. If the bill is unpaid, the City places a lien on the property.
