PENDING ITEMS**2018-169 Amendment to License Agreement - Cingular Wireless PSC, LLC (AT&T)**

City Council is requested to approve an Amendment to the License Agreement with Cingular Wireless PCS, LLC (AT&T) which allows the location of communication equipment at the City's Ward Water Plant; and authorize the City Manager to execute the agreement.

Note: This matter was initially heard by the City Council at the May 21, 2018 Meeting and action was taken at that time to refer the matter to the Finance Committee for further discussion.

At the Finance Committee Meeting held on August 16, 2018, City Attorney JoAnne Carlyle provided an update. This is the 5th amendment to this license. She advised this should actually be a Lease Agreement rather than a License Agreement as this equipment is installed for more than 30 days on real city property. She explained that she has been corresponding with the attorney representing Cingular to correct the language in the Agreement.

LmREGULAR AGENDA ITEMSFINANCE COMMITTEE - Council Member Moore, Chair

Committee Members: Moore, Hudson, Ewing, and Jones

2018-300 Public Hearing - Issuance of Series 2018 General Obligation Public Improvement Bonds (2/3 Bonds)

1. City Council is scheduled to conduct a public hearing on August 20, 2018, at 5:30pm as required by state law on the issuance of the referenced 2/3 bonds.
2. Following the public hearing, City Council is requested to approve the attached "Order Authorizing \$6,600,000.00 Municipal Building Bonds."

The public hearing for this matter was held on Monday, August 20, 2018 at 5:30 p.m.

Finance Committee Chairman Britt Moore opened the public hearing and asked if there was anyone present who would like to speak. There being no one present to comment, the public hearing was declared closed.

Council Member Jones felt that a new Police Department is imperative and noted that this is absolutely great for the officers' morale and would help with the crime in the city.

Mayor Wagner agreed that it is great for the Police Department and a good deal for the taxpayers as well.

Adopted the "Order Authorizing \$6,600,000.00 Municipal Building Bonds."

A motion was made by Council Member Moore, seconded by Council Member Peters, that this matter be approved. The motion carried by the following unanimous 9-0 vote:

Aye (9): Mayor Wagner, Mayor Pro Tem Williams, Council Member Moore, Council Member Scarborough, Council Member Golden, Council Member Peters, Council Member Hudson, Council Member Jones, and Council Member Ewing

2018-301 Capital Project Amendment Ordinance Amendment

Adoption of a Capital Project Ordinance Amendment for the Series 2018 General Obligation Public Improvement (2/3) Bond Project in the amount of \$6,600,000 for the acquisition and renovation of a Municipal Facility.

Eric Olmedo, Budget & Administrative Director, advised this ordinance amendment is needed to appropriate funds into a \$6.6 million project in anticipated 2/3 bonds.

Chairman Moore inquired about the time frame and flow of process for the 2/3 bond approval.

Mr. Olmedo explained that internal staff would prepare the documents and bond reports would be issued by the rating agencies with an anticipated bond sale date of October 3rd.

Adopted a Capital Project Ordinance Amendment for the Series 2018 General Obligation Public Improvement (2/3) Bond Project in the amount of \$6,600,000 for the acquisition and renovation of a Municipal Facility.

A motion was made by Council Member Moore, seconded by Council Member Ewing, that this matter be adopted. The motion carried by the following unanimous 9-0 vote:

2018-309 MOU - HP365 Business Incubator Project

Consideration of approval of the MOU between the High Point Chamber Foundation, Inc., a North Carolina non-profit corporation and a charitable foundation, subsidiary, HP 365, LLC, and the City of High Point to provide understanding regarding HP365's creation of a business incubator space with assistance from \$3 million in funding that will pass through the City (\$1.5 million appropriated from the Rural Economic Development Division of the North Carolina Department of Commerce and \$1.5 million in matching private funds from High Point Chamber Foundation, Inc.). Staff recommends City Council authorize staff to make any necessary minor revisions and execute the MOU after the document is reviewed by NC Department of Commerce staff and attorneys. *(This item was discussed at the Finance Committee meeting on Thursday, August 16th and the Committee recommended it be placed on the Monday, August 20th Regular Agenda)*

Assistant City Manager Randy Hemann noted that upon the advice from the city attorney, we are now looking at this as an agreement instead of an MOU, which makes it a work in progress. He pointed out that Session Law 2017-57 provided \$1.5 million in non-reoccurring funds for this project and those funds have been matched by three sources. He expressed appreciation for the donations and advised that per the legislation those funds for the HP365 (Business Incubator) project will flow through the City of High Point. The City will then receive the grant from the State and the City of High Point would enter into an agreement with HP365 as to how those funds will be used and disbursed for the project.

He reported that the legislation referred to the project as a Design Factory, and it contains a number of elements. It will be housed in the current Union Square building that was purchased by the Congdon Foundation, who will be making a very generous donation of the lease for the space for five years at a rate of \$1.00 a year. Mr. Hemann pointed out the annual lease income for the building would be around \$700,000 on the open market and again expressed appreciation to the Congdon Foundation for this very generous offer.

He then referred to the bulleted list contained in the agenda packet (Summary of the Economic Development and Matching Funds Agreement with High Point Chamber

Foundation, Inc. and HP365, LLC. These considerations will be incorporated into the finalized Agreement and are identified as follows:

- *Statement summarizing legislation authorizing challenge grant funds of \$1.5 million, requirement of matching/private funds.*
- *Acknowledgement of City and Commerce Agreement.*
- *Establishment and commencing of a project that qualifies under the authorizing legislation.*
- *Confirmation of successful raising of private funds (3 donations \$500,000 each).*

Description of the project:

- *100,000 sq. ft. historic building "Union Square" (owned by DavCo, LLC).*
 - *Commitment of HP 365/Chamber Foundation to lease Union Square for five years (lease rate of \$1 per year; estimated fair market rent \$700,000 annually).*
 - *DavCo is expected to spend approximately \$1,240,000 for building improvements.*
 - *Lease will provide option to renew by HP365 for an additional five to ten years at fair market rent.*
 - *HP365 will provide exhibits showing the improvements to the building and an outline of the project.*
 - *Any net income from the project will be used by HP365 for charitable purposes.*
- *HP365 and Chamber Foundation shall deposit the match funds with the City within a certain time period.*
 - *HP365 and Chamber Foundation will abide by all applicable restrictions set forth in City's agreement with Commerce.*
 - *Projected completion date to be provided*
 - *All project records to be maintained and provided to City including financial records.*
 - *City/Commerce shall maintain right to audit.*
 - *City shall maintain rights of termination.*
 - *Independent status of parties, no joint venture.*
 - *Confirmation of solvency.*
 - *Repayment of unspent funds.*
 - *HP365 and Chamber Foundation will hold City harmless.*

General Provisions:

- *No discrimination.*
- *Certification of no conflicts of interest.*

Chairman Moore asked if it would be referred to as an agreement or an MOU once it is adopted and Ms. Carlyle advised that it would be an agreement, not an MOU. She explained that due to the time constraints, staff is trying to move forward as quick as possible and noted that any substantial changes would come back to Council. They have already submitted some plans, pictures, and details that will also be attached to the agreement as exhibits.

Approved the Agreement between the City of High Point, the High Point Chamber Foundation, Inc., and HP365, LLC for the HP365 Business Incubator.

A motion was made by Council Member Moore, seconded by Council Member Ewing, that this matter be approved. The motion carried by the following unanimous 9-0 vote:

Aye (9): Mayor Wagner, Mayor Pro Tem Williams, Council Member Moore, Council Member Scarborough, Council Member Golden, Council Member Peters, Council Member Hudson, Council Member Jones, and Council Member Ewing

2018-310 Budget Ordinance Amendment - High Point 365 Business Incubator Project – Pass-through Grant

Adoption of a Budget Amendment amending the 2018-2019 Budget Ordinance to appropriate funds in the amount of \$1,500,000 from the Rural Economic Development Division of the North Carolina Department of Commerce, and the required \$1,500,000 in matching funds raised by the High Point Chamber Foundation, Inc. for the creation of HP365's Business Incubator.

Assistant City Manager Randy Hemann explained a Budget Amendment is needed to receive \$1.5 million from the State and a matching amount in private funds of \$1.5 million from the High Point Chamber Foundation, Inc. for the HP365 Business Incubator project and this allows disbursement of these funds.

Chairman Moore reiterated that High Point is very fortunate to have citizens who care about and are willing to partner and give back to the city.

Adopted a Budget Amendment amending the 2018-2019 Budget Ordinance appropriating funds in the amount of \$1,500,000 from the North Carolina Department of Commerce for \$1,500,000 and a \$1,500,000 match in private funds that were raised by the High Point Chamber Foundation, Inc. for their subsidiary, HP365, LLC to use for the proposed Business Incubator.

A motion was made by Council Member Moore, seconded by Council Member Ewing, that this matter be adopted. The motion carried by the following unanimous 9-0 vote:

Aye (9): Mayor Wagner, Mayor Pro Tem Williams, Council Member Moore, Council Member Scarborough, Council Member Golden, Council Member Peters, Council Member Hudson, Council Member Jones, and Council Member Ewing

COMMUNITY HOUSING, NEIGHBORHOOD DEVELOPMENT AND PUBLIC SAFETY
COMMITTEE - *Council Member Golden, Chair*

Committee Members: Golden, Peters, Scarborough, and Williams

2018-303 Contract- 2018-2019 Operation InAsMuch Contract with Community Housing Solutions

Council is requested to approve a contract with Community Housing Solutions (CHS) in the amount of \$200,000 to fund materials and operational expenses with two (2) Operation InAsMuch (OIAM) events during the 2018-2019 fiscal year.

Mike McNair, Director of Community Development & Housing, reported the OIAM events have been highly successful. This will be the sixth OIAM event and the focus will be on the West End neighborhood. This will be the 6th Operation InAsMuch (OIAM) event. He advised last year the City Council budgeted \$200,000 that was committed from the Core City Redevelopment Fund to do two neighborhoods and staff is requesting the same amount and same terms for this proposed contract with Community Housing Solutions, who is also the builder in the Southside area as well. Staff is requesting that Council authorize them to proceed with the contract and have the appropriate city employee sign it.

Mayor Pro Tem Williams asked how many homes with needs have been identified in the West End neighborhood. Mr. McNair replied about 120 homes and estimates a response rate of about 25%-30%. He explained that oftentimes many residents feel it is too good to be true and because of this they try to work through the various neighborhood associations, churches, other folks of significance in the neighborhoods, etc... to help with the marketing to get the word out so that people will be more receptive. Mr. McNair reported that the second neighborhood has not yet been identified.

Approved a contract with Community Housing solutions (CHS) in the amount of \$200,000 to fund materials and operational expenses with two (2) Operation InAsMuch (OIAM) events during the 2018-2019 fiscal year.

A motion was made by Council Member Golden, seconded by Mayor Pro Tem Williams, that this matter be approved. The motion carried by the following unanimous 9-0 vote:

Aye (9): Mayor Wagner, Mayor Pro Tem Williams, Council Member Moore, Council Member Scarborough, Council Member Golden, Council Member Peters, Council Member Hudson, Council Member Jones, and Council Member Ewing

PENDING ITEMS

2018-144 Ordinance - Demolition of Structure - 1505 East Avenue

City Council is requested to adopt an ordinance ordering the housing inspector to effectuate the demolition of a structure located at 1505 East Avenue belonging to SHJ Capital, LLC.

Note: This matter was initially heard by Council at the May 7, 2018 meeting. At that time, staff asked that it be placed in pending for 30 days because the property was recently sold and the new property owner asked for additional time to get the permits pulled so they could start making some progress on the repairs.

2018-306 Amendment to the Water and Sewer Utility Extension Policy

A request by the Planning and Development Department to update the Water and Sewer Utility Extension Policy by (1) streamlining the exception process and (2) clarifying the policy's jurisdiction.

Lee Burnette, Director of Planning and Development, advised the Water and Sewer Utility Extension Policy is one of the city's major planning policies that was established in the 1980s to require property owners and developers of property outside the city limits to petition for annexation in order to get water and sewer service. He further stated that there are exceptions to the policy where the City Council has allowed connections to water and sewer service under the following conditions:

- ✓ *Individual lots where a well or a septic tank has failed and connections to public water or public sewer is needed.*

Mr. Burnette advised that these exceptions have been in place for over 30 years and these requests go through TRC for a determination and once the TRC make the decision, a notification is put in the City Council's Agenda Packet and the City Council has never called up on any of the actions made by the TRC. Staff is now recommending streamlining the process to help expedite connections to public water and/or sewer service in the case where the wells or septic systems have failed.

Another minor change in the revised policy is clarification that the policy applies to the planning area and it does not apply to any government properties.

Mayor Pro Tem Williams inquired about the appeal process. Mr. Burnette explained since the City Council will no longer get notice of the TRC decision, it does allow for a property owner to appeal the TRC's decision within 30 days to the City Council.

Council Member Golden asked about the responsibility of the infrastructure needed to get the water and sewer to the customers. Mr. Burnette replied that the customer would be financially responsible for extensions and upsizing the line(s) in accordance to the city's policy.

Approved an Amendment to the Water and Sewer Utility Extension Policy by (1) streamlining the exception process and (2) clarifying the policy's jurisdiction.

A motion was made by Mayor Pro Tem Williams, seconded by Council Member Ewing, that this matter be approved. The motion carried by the following unanimous 9-0 vote:

Aye (9): Mayor Wagner, Mayor Pro Tem Williams, Council Member Moore, Council Member Scarborough, Council Member Golden, Council Member Peters, Council Member Hudson, Council Member Jones, and Council Member Ewing
