PURPOSE:

A resolution to consider donating surplus handheld radio equipment to High Point University.

BACKGROUND:

High Point University contacted the City Manager about purchasing used surplus handheld radios to be used by campus security and other campus departments.

The Radio Shop division currently has 60 surplus radios that were slated to be sold on the GovDeals online auction service. The last time these were sold on GovDeals in July 2018, the sale price was \$54.49 per unit. The donation would include the handheld unit, a used battery and battery charger. High Point University has been made aware that they will need to contract directly with Guilford County and pay a per radio fee to be able to use these units on the Guilford County Radio network.

The City Manager is recommending donating these units to High Point University.

BUDGET IMPACT:

The estimated value of the units is \$3,269 based on previous auction pricing.

RECOMMENDATION / ACTION REQUESTED:

The Budget Department recommends that Council approve the donation of handheld radios to High Point University and authorize the appropriate city official to execute all necessary documents.
