

MWDBE Update

August 3, 2020

City of High Point Plan

- In accordance with G.S. 143-128.2 (effective January 1, 2002) these guidelines establish goals for minority participation in single-prime bidding, separate-prime bidding, dual bidding, Construction Manager-at-Risk, and alternative contracting methods on building construction projects in the amount of \$500,000 or more.
- The Outreach Plan shall also be applicable to the selection process of architectural, engineering, surveying and Construction Manager-at-Risk services.
- City of High Point's current goal for minority participation for public building construction is ten percent (10%).

MWDBE Guidelines

- Our MWDBE plan and guidelines are included with each bid package and reviewed with potential contractors at pre-bid meetings.
- The City invites known MWDBE vendors to pre-bid meetings to facilitate proposing contractors' responses.
- Contractors are required to submit written reports of their MWBE participation within 72 hours of bid openings.
- Bid opportunities are posted on the CHP Website along with a link to the North Carolina HUB office where additional assistance is available.

-

MWDBE Guidelines

- Online Vendor Registration is available on the CHP Website and assistance is available in the Purchasing Division for vendors that do not have Internet access.
- Once applications are submitted, they are used to update potential bidder's list.
- A copy of the current CHP MWDBE Outreach Plan and Guidelines is available on the CHP Website and from the Purchasing Division.

MWDBE STATISTICS

- From 2005 through July 2020, the City formally bid \$284,339,967 in projects.
- MWDBE participation was \$24,853,929 or 8.7%.
-
- The City only tracks MWDBE participation on construction projects, per statutory requirements
- Does not include commodity or other purchases
