High Point Public Library - Sensory Garden

In April 2019, the High Point Public Library Foundation submitted an application to the Rotary Club of High Point for consideration of a Sensory Garden as the Club's major centennial project in the year 2020. In October 2019, the Rotary board voted unanimously to accept this proposal and to commit revenues from major fundraising events to this project. The library requests Council's endorsement of this project on City property.
